**MENNONITE MISSION NETWORK PRAYER REQUEST:** Mennonite Mission Network praises God for the growth of Mennonite Bible School (formerly Bethany Bible School) in South Africa. MCC is planning an immediate shipment of emergency supplies to Ukraine. There is an increased demand for supplies to send to Ukraine and other countries around the world. Our inventory of material resources is getting low. ***We need donations of comforters and relief, hygiene, school, dignity, infant care and sewing kits, as well as soap and towels.*** We encourage you, your church or your community group to consider packing a kit and donating these items to your local MCC material resources warehouse. Your donation will not only offer support but comfort to individuals and families facing crisis and share God's love in a very tangible way. For more information about these needed items, contact the MCC Great Lakes office or visit our material resources information page to find out what items go in each of the emergency kits. You'll also find information on where your donations can be dropped off. We at MCC want to thank you for your ongoing support. It is because of people like you that containers full of needed items are being sent to help people in desperate need of comfort and hope. Thank you.
